An epidemic of grip is raging at Hardin, Ky. where it is reported that at a recent funeral so many friends of the deceased were ill the body was practically unaccompanied to the burying ground.

Real evidence that Louisville has been in the grasp of an epidemic of influenza was obtained from the vital statistics records for the week ending last Saturday. During the week twelve deaths occurred among persons who had contracted the malady.

The pay up movement is the most important—if all start a pay up movement a small amount of money will pay many debts. The Legislature is in session at Frankfort and will, for the next few months, occupy the center of the stage in public interest in Kentucky. The eyes of Kentuckians are focused on Frankfort and events there will be watched with keener interest than for many years. It is to be hoped that mistakes which can make the best Legislature a failure, will not occur and that instead of paying politics this Legislature will get down to business and help make the present administration the greatest in the history of Kentucky.

DANVILLE MARKET HIGH.

The Danville market has been a success since the "new year" and the wheat and corn prices have advanced. Last Friday the flour advanced to \$1.15 and the day before the wheat advanced to \$1.10. The market is very active and the bank pays of it.

SHIPS TO ATLANTA.

Mr. W. B. Barton has bought in the past month several car loads of mules and has shipped them to various points in the south. Last Friday he shipped a nice car to the Wilson Live Stock Company, at Wilson N. C. and on Saturday morning he shipped probably the best lot of the hybrids that has left the county this winter to Atlanta. This load he purchased of J. E. Robinson for \$170 a round, all being mares and ranging in years from four to six.

A BEAUTIFUL LUNCHEON.

Mrs. John E. Stormes gave a beautifully appointed luncheon last Thursday. The table was very attractive in the Christmas colors of green and red, the center piece being a large basket of Richmond red roses, the some colors were carried out in the five course menu. Dainty place cards and crocheted luncheon baskets were given as souvenirs of this delightful occasion. Covers were laid for the following: Mrs. Joe Robinson, Mrs. Will Cook, Mrs. George Robinson, Mrs. H. Clay Sutton and Mrs. Robert Elkin.

NOTICE TO PARENTS.

The first bell at the school rings at 8 o'clock and gives the children in town plenty of time to get to school before the second bell at 8:15. A good many children have been standing at the gates for some time before the first bell rings. We make this notice so parents may govern the time of their children leaving home accordingly, thus making them wait at the gates, in rain or snow.

BUCK APPOINTED.

At the ball meeting of the board of council last Monday night, Orville Buck the present chief of police, was re-appointed and also made superintendent of the water works. H. T. Logan was disqualified for further service as councilman, having moved out of the city limits since last meeting. Mr. Wesley Zanne was elected to serve in his place.

WILL HAMILTON IMPROVING

Mr. J. W. Hamilton, our efficient County Clerk, who has been for the past six weeks at Carlsbad Springs, Dry Ridge, Ky., on account of a severe attack of rheumatism, we are glad to report is improving and he hopes to be able to walk some this week, for the first time since his arrival there. While the duties of the clerk are very arduous at this time of year, they are being carefully looked after by Mrs. Hamilton and deputy clerk, E. M. Walker.

AFLECTED FAMILY.

News was received here Monday of the death at his home on the Cumberland river, in the lower part of Pulaski county, of Bowen Newell a brother of Mrs. Jesse Fox, of this county. Mr. Newell was a prominent farmer and stock man of that section and stock men here Monday deeply regretted news of his demise. Mr. Newell was about 55 years of age, and had been ill but a short time of pneumonia. He is survived by his wife and two children. His mother passed away only a short time ago; in fact, the heavy hand of affliction seems to have been laid upon his family recently, as a few months ago his son had his arm torn off in a shredder, his daughter has been very ill, he lost his mother, and he sustained the loss of 1,000 bushels of grain in a fire only recently. —Interior Journal.

DIRECTORS CHOSEN.

Without a single exception every director of the three banks were unanimously re-elected at the stockholders meeting held at the various bank offices last Tuesday afternoon. All these banks are in a flourishing condition, each having declared their regular dividends, beside carrying a good sum to the surplus. The Citizens National holds the distinction of being on the "honor roll", its capital and surplus being the same, \$50,000. Stock in this bank recently sold for \$200 a share. The National Bank, the oldest in the city, has a surplus of \$30,000 and an undivided profit of \$8,000, its capital stock is \$50,000. The Garrard Bank and Trust Company, the youngest in the city, is growing in popularity and strength every year and beside paying its usual dividend carried \$2000 to its surplus, which now amounts to \$5,000.

KILLING AT CARTERSVILLE.

Only meager details can be gotten of a killing that took place at Cartersville last Sunday morning, when Bynum Carter Vanwinkle shot and mortally wounded Lee Ballard, who died after being taken to a hospital at Berea on the same day. The Vanwinkle side of the case, as we have gathered it, is about as follows. It seems that Vanwinkle secured a warrant against a man named Wilson for stealing corn and Sunday morning when Vanwinkle was out to look for him, three men came to his house and told him that Wilson was in the barn and had stolen the corn. Vanwinkle went to the barn and found Wilson and his wife and children. He shot Wilson and his wife and children. The case is now in the hands of the court.

NAT S. COHEN WEDS.

Secretary of Agriculture Nat S. Cohen, elected to that office in the last election, shipped into Covington Saturday morning and by the mid of the court stenographer, eluded the newspapermen. Later he appeared in County Clerk John Dillon's office and secured a marriage license to wed Mrs. Anna Mayne, of Mayfield Ky.

In the afternoon the couple went to the home of the Rev. J. Howard Gibson and were married according to the rites of the Episcopal Church. After the ceremony they went to the Gibson House in Cincinnati and will leave to-morrow for Frankfort, where they will reside.

The bride is the wealthy widow of the late Coley W. Mayfield and has been spending the winter in Chicago, where her daughter has been attending school. She went to Cincinnati December 1, where her daughter, Miss Mildred, entered the Conservatory of Music. Mr. Cohen and Mrs. Mayfield met about a year ago. Mr. Cohen has made several visits to Mayfield since that time.

SWAFFIELD.

News reached here Monday morning announcing the death in Mt Sterling, of R. H. Swaffield. Mr. Swaffield has often made this town representing the Globe Tailoring Company, of Cincinnati and has many friends here and elsewhere who will regret to hear of his death. He died of heart failure superinduced by asthma. He leaves a young wife.

FOX.

The death of Judge Robert H. Fox which occurred in Louisville last week will be regretted by many of the elder citizens of this county where he resided for about fifteen years and where he is so well remembered. He was seventy-five years old and was a prominent figure in the Middleboro, Ky. boom, many years ago. He died of pneumonia superinduced by an attack of grip, at the home of his daughter, Mrs. Mary Hackney. Judge Fox was county judge of Bell county for a number of years. He was born in Ireland and was brought to this country when only ten years old.

CREECH.

News was received here Wednesday morning of the death of Mrs. Annie Creech, wife of J. W. Creech, President of the Hastin Telephone Co.

She died of pneumonia and her sudden death was made doubly shocking by the fact that she leaves three small children, the youngest being three months old. She was a member of the Christian church, a devoted wife and mother and will be greatly missed in East Bernstad.

Mr. and Mrs. J. R. Conn left at once for East Bernstad to attend the funeral and burial. Mr. Creech is very popular in Lancaster where he has business interests and his friends and acquaintances sympathize with him in his great bereavement.

BEAZLEY.

Miss Alice Beazley died at the home of her sister, Mrs. C. T. Johnson, in Danville Monday morning and after funeral services conducted by Rev. D. M. Walker, of Stanford, on Wednesday morning, the interment took place in the Lancaster cemetery.

She was the daughter of the late Mr. and Mrs. J. L. Beazley, who were natives of Lincoln county. Miss Beazley had suffered from a complication of diseases for many months. She was a member of the Christian church and had borne her sufferings with characteristic Christian fortitude. She is survived by two sisters, Mrs. C. T. Johnson and Miss Mollie Beazley of Danville, and three brothers, Mr. G. G. Beazley of Danville; Mr. J. R. Beazley of Jacksonville Fla., and E. T. Beazley of Elizabethtown, Ky.

UNDERWOOD.

Mrs. Maria Wilmot Underwood, wife of W. H. Underwood and sister of James and Ben Wilmot, of this county, died at her home near Huckle last Saturday afternoon at five o'clock.

Mrs. Underwood had been a patient sufferer for several years, but her suffering served to bring out her beautiful Christian character which is indeed a heritage to her two devoted daughters, Mrs. Anna Italy and Mrs. Lillie Holtzclow who were uniting in their ministrations and devotion. Mrs. Underwood was a faithful member of the Christian church of Hubbs, where she will be greatly missed.

Funeral services were conducted Monday morning at her late home by Rev. E. M. Tindler after which interment took place in the Lancaster cemetery.

The heavy hand of affliction has been laid upon this family recently as this is the second death in such a short time and loss to the good wife of Mr. James Underwood has deepened the grief of her husband.

KAUFFMAN

In the presence of the judges, too to be held in the Court room, the Honorable Edmund Kauffman, it is announced that Mr. Kauffman, is well known to the committee on Kentucky statute. He will also serve on the following: Court of Appeals, Circuit Courts, Codes of Practice, and Judiciary.

UP! UP! UP!!!

Goes Tobacco On Richmond Market.

The Richmond tobacco market has reached some sensational figures this week and as usual the weed that smokes and records is invariably grown in Garrard county. D. N. Long and Emmet Long add their crops on this market this week, the former securing the high average of \$25.91, the latter an average of \$24.39. Joe Wheeler and Nash Atkinson had fine crops and each received over the \$20 mark. Read theaverages in the advertisements in this issue.

STANFORD COURT

Draws Small Crowd But Business Brisk.

Although quite a small crowd turned out for Court Day at Stanford last Monday, those that were on hand, were there for business and a good deal of trading was done, chief among the mule traders, yet all cattle on the market to the number of two hundred changed hands at about 64 cents. Probably twenty-five mules were sold at seemingly old time prices and at an advance of 15c on the head for what they were selling one month ago. Monte Fox, of Danville bought a pair of Bowen Glens for \$310, these were three year old horse mules, a choice mare mule of L. S. Palmer, of this county, for \$250, a pair of P. G. Gnoch, for \$310, of W. A. Laech one for \$175, one of Bob Gaines, price \$135, a horse mule five years old of J. H. Hustle for \$175, and one of J. H. Powell, for \$127.50. Center Itros bought a pair of three year olds of R. E. Gaines for \$300. J. E. Robinson bought some nice stock cattle, 3 head of R. K. Young that weighed 945 lbs for \$6 62 1/2 a hundred and 15 head of W. R. McAfee of Boyle, for six and a half cents a pound. These averaged about 800 pounds.

BUTTER AND EGGS

PROVE PROFITABLE.

Miss Stella Clark, who is a daughter of Mr. James Clark, of this county, has earned a reputation for making money from her poultry and butter, that should make others sit up and take notice.

From one hundred and fifty hens during the year 1915, she sold 1329 dozen eggs that brought her a total of \$265.36. This is not all, for during the same period she sold 392 pounds of butter that realized her the neat sum of \$90.64.

BEN ALI THEATRE

HAS \$80,000 FIRE

The stage of the Ben Ali theatre of Lexington, is a pile of twisted girders and charred timbers as the result of a fire of unknown origin that was discovered Tuesday morning about 7:45 o'clock. The total loss on the \$200,000 structure is estimated at \$80,000. The loss is fully covered by insurance.

The theatre will be restored as soon as the contracts can be let, and will be reconstructed along original plans. This, the most beautiful playhouse in the South has suffered an almost complete loss as to decorations, practically the whole of the interior will have to be done over; the rich velvet drop curtain, that cost \$1,500, is lost; the painting and gold tinting by Tiffany, representing an outlay of \$25,000, adorning the walls, ceiling and borders of the main auditorium, has been peeled off in rolls and smoked out of color; blue velvets that draped the boxes in the three tiers are discolored by smoke and water; the upholstery in the main floor chairs is spoiled to a less extent; the varnish on the seats in the first and second balconies is blistered.

The \$10,000 organ was wrecked by fallen timbers and flooded with water, and the stage furnishings is a total loss. The rest of the damage is made up in the buckled walls on the two remaining sides of the stage.

WHEN THE NEW

YEAR ARRIVES.

At certain periods of the year there are certain diseases that sweep the country. In the spring influenza allits kind; in the summer, rose fever, and in the early autumn the hay feverites snuffle and mangle the lining of the year an epidemic of a disease of the most virulent sort spreads over the civilized world, causing ninety-nine out of a hundred of its inhabitants to raise their right hands involuntarily and swear by all that's holy they will stand fast to the straight and narrow path forever and forever.

The symptoms of the disease are always the same. It is better and more generally known than the common cold; it is more regular in its appearance, and more persons suffer from it than from any other ailment, yet physicians and bacteriologists have never found a remedy or isolated its germ. This microbe, once taken into the system, can never be eliminated. The same victims suffer from it year after year, and each year hundreds of thousands of new sufferers join the ranks.

The disease first makes its appearance in December. A victim beams beatifically around a poker table and announces, "Well, boys, I swear off on the 1st."

Jan. 1 arrives. Simultaneously several hundred million persons rise, yawn and glance at the calendar. Involuntarily the muscles of the right arm contract, elevating that member toward the ceiling. In a state of temporary stupor the victim voices good intentions. The stupor is attended by either a lapse of memory or a distorted mentality.

In from five minutes to one week, statistics show, the disease usually runs its course. The victim becomes himself again. He draws himself to his full height, voices the thought, "Aw, what's the use?" and resumes his normal mode of life with renewed ardor.

SCHOOL NOTES.

We have enrolled about 10 or 12 new pupils in school since Christmas.

Quite a number of the children in the school are confined to their homes with grip.

The different teachers hold devotional exercises, each in her own room on Wednesday mornings.

Mrs. Curry whn, has been busy as a substitute teacher, for several weeks, is out of school for few days, sick with a cold.

Miss Katherine Parke, who has charge of the 5th and 6th grades is detained from her school work because of "grip".

The boys and girls are quite busy in getting ready for the midyear examinations, which begin on Wednesday of next week.

Notwithstanding the unusual amount of sickness, and the inclemency of the weather the school is starting off splendidly since the holidays.

Miss Mary Elmore, who has been unable to meet her classes since the holidays, because of sickness, is better and hopes to resume her teaching in a few days.

Miss Lena Webb, who had charge of the department of music 1914-15, has returned and again assumed control of the same department; she begins again with quite a large and enthusiastic class.

The following pupils were on the Honor Roll for Dec.

2nd Grade. Edith Moore.
3rd Grade. Elsie Fetheringill, J. O. Bogle, Lucile Stapp, Elizabeth Dudley, Claude Rice Gaines, Elsie Conn, Mittie Dunn, Margaret Conn.

The Board of Education has recently supplied the school with a splendid collection of helpful wall Atlases; they have also bought for the school window protectors or guards for all the rooms of the basement; and window shades have been bought for the rooms not originally supplied with them. All these supplies were much needed and will enable the school to do better work.

MILITARY TRAINING CAMP.

General Leonard Wood, of the U. S. Army has just made the following announcement:

It has been decided to hold a military training camp for civilians at Fort Oglethorpe, Ga., near Chattanooga, Tenn. While many other localities offered excellent camp sites and most generously promised to secure every necessary convenience, the necessity for being near a garrisoned army post was paramount. The necessary camp equipment and supplies are at hand with storage facilities; the regular troops can be more easily maintained and at less expense; water and light are under Government control and there is a well equipped target range within reach.

The climate is excellent, weather conditions most favorable for out of door work and offers unquestionably a healthy location in addition to being the only large army post now garrisoned in the region to be covered.

This camp will be conducted by the War Department along the lines of the Plattsburg Camp for "Students" and for "Business and Professional men", held last summer.

The first camp for business and professional men will begin early in April and continue four weeks. If applications warrant, a second camp will be held early in May to terminate in June. The students camp will open July 6th, for five weeks. Thereafter, if conditions warrant the camp will be continued. For details and complete information a bulletin will be distributed from these headquarters by application to the "Officer in Charge, Southern Training Camp, Governors Island, N. Y. Camp expense about \$20.00 exclusive of uniform, which costs from \$8.00 to \$12.00. Special rates of one and a half cents per mile for round trip fare are offered by railroads covering this region.

The camp will be under the direct supervision of the Commanding General, Eastern Department, commanded by selected officers of the regular army. An extensive course of training will be given.

INSTRUCTION.

The purpose of the camp will be to give each attendant as much of the fundamental education of an officer as can be imparted in the duration of the camp. A certain definite routine will be prescribed for all, including rifle practice. Special opportunities under expert officers will be offered for training in various branches of the service, cavalry, artillery, engineers, signal corps and first aid. There will be present at the camp Cavalry, Artillery, Signal Corps and infantry officers of the regular army.

ORGANIZATION.

Attendees at the camp will be divided into war strength, companies of infantry, troops of cavalry or batteries of Artillery (if application warrant) commanded by officers of the regular army, whose duties cover not only those of instruction but also the health and general welfare of their commands. Attendees are on a cadet basis.

She used one gallon and was entirely cured. We had used a number of other things without success. I cheerfully recommend this medicine as one of the best medicines I ever used in my family.

HAS FAITH IN QUICK REMEDY FOR CATARRH. R. E. McRoberts Guarantees That Hyomei Will Relieve The Worst Cases of Catarrh in Lancaster.

When one of the most reputable concerns in Lancaster guarantees that a medicine will produce benefit or he will refund the money it speaks volumes for the merits of that remedy. It is in this way that R. E. McRoberts is selling Hyomei, the treatment that has helped so many cases of both acute and chronic catarrh in Lancaster and vicinity.

Hyomei is not a pill nor is it a spray or a lotion that must be rubbed in. It is an oil, the air of which you just breathe in your nose, throat and lungs by the aid of an inhaler that comes with every outfit. Benefit will usually be seen from the very first treatment.

This air destroys all germ life in the air passages and lungs and enriches and purifies the blood with the additional ozone it supplies. It banishes catarrh of the head and throat and respiratory organs. Wherever these mucous membranes contain catarrhal germs, there Hyomei will do its work of healing.

The complete Hyomei outfit is inexpensive and includes an inhaler dropper and sufficient Hyomei for several weeks treatment.

Remember that if Hyomei does not relieve you R. E. McRoberts will refund your money.

TRY THIS IF HAIR STARTS FALLING.

At this season of the year many people find their hair coming out at an alarming rate and often four baldness. This may very easily be the ultimate result if proper scalp treatment is not taken at once. All excessive loss of hair can be almost immediately stopped by the use twice daily of a little Parisian Sage which invigorates and nourishes the slowly dying hair roots into a renewal of healthy normal action. New hair quickly grows on the thin spots, old hair stops falling and the difference is apparent in a few days by the very look of the hair itself taking on new life, lustre and beauty. Parisian Sage can be obtained from R. E. McRoberts or any good druggist. It is not expensive.

"How ready" she sent out other invitations that her table might be full, still they refused. I am not at liberty to record any more not even the remarks of the hostess.

Tom Stewart a colored gentleman a tenant on Mr. Curry Robinson's farm arrived at the barn one morning before daylight with lantern and milk pails, on opening the barn door he stood petrified with terror at the fantastic monster that confronted him. As soon as it was possible for him to move, he flung his lantern and buckets to the wind and took to his heels and never stopped running until he was a safe distance from the barn. When investigation was made by day-light he found that the basis of his terror was only a cow, whose eyes and form were magnified by superstitious fear which is characteristic of his race and the lurid light reflected by his lantern. At any rate he could not be persuaded to enter the barn any more before daylight.

Mr. and Mrs. Dick Simpson were guests of Mr. and Mrs. John Land last Monday night.

Rev. W. E. of Lancaster will give a lecture at Liberty church at Buckeye next Sunday afternoon on "Problems of Modern America".

Rev. D. F. Sebastian filled his appointments at Buckeye Saturday and Sunday. He spoke on "Who is my neighbor", Saturday, Number 3222 was his text Sunday morning.

Wesley, one of the little sons of Mr. and Mrs. Wesley Simpson, died at their home Friday Jan. 7, 1918 about noon. The little one had been a great sufferer for more than six weeks and hope for its recovery had been abandoned for some time. The beloved little body was placed in the cemetery at the Methodist church here. To the bereaved ones we can only say, "Weep not for those who have no hope, but look to the blessed Redeemer who said 'Suffer little children to come unto me and forbid them not for of such is the Kingdom of Heaven'." Little Wesley awaits you in a land where there is no suffering, no sorrow, no death but only beautiful, happy, eternal life.

The Habit of Taking Cold.

With many people taking cold is a habit, but fortunately one that is easily broken. Take a cold sponge bath every morning when you first get out of bed and you will find that a temperature of about 98° F. Also sleep with your window up. Do this and you will seldom take cold. When you do take cold take Chamberlain's Cough Remedy and get rid of it as quickly as possible. Obtainable everywhere.

HIDDEN DANGERS

Nature Gives Timely Warnings That No Lancaster Citizen Can Afford to Ignore.

DANGER SIGNAL. NO. 1 comes from the kidney secretions. They will warn you when the kidneys are weak. Well kidneys excrete a clear, amber fluid. Disordered kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL. NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, suggest weak kidneys and in that case warn you of the danger of dropsy, gravel and Bright's disease. Doan's Kidney Pills are endorsed by thousands. Here's Lancaster proof:

C. T. Brummett, grocer, Crah Orchard St., Lancaster, says: "Nearly every spring, I use Doan's Kidney Pills to keep me in good health. During the winter, colds settle on my back and cause pains through my kidneys. Doan's Kidney Pills stop the pains and my kidneys become normal." Price 50c, at all dealers. Don't simply ask for a kidney remedy--get Doan's Kidney Pills--the same that Mr. Brummett had. Foster-Milburn Co., Props., Buffalo, N. Y. 1-12 21.

MOUNTAIN TO BE CARVED INTO A MONUMENT

IN A MEMORIAL TO THE "LOST CAUSE"

A work of art so stupendous in its proportions that it will cause the fabled Colossus of Rhodes to seem like a pigmy and that will make the largest bas relief ever carved appear in comparison like a cameo will commemorate the great struggle which the South made for its "lost cause." This piece of sculpture will be two miles long, carved out of a single piece of Georgia marble, without a break or fissure in it. It will comprise more than two thousand figures of men, each one about forty-five feet tall, and each one will be the portrait of a man who served in the confederate army. It will cost between \$1,600,000 and \$2,000,000 and will consume eight years. A New York sculptor, Gutzon Borglum, who, strangely enough, won the commission because of the statue he made of Lincoln, will do the work. This enormous piece of sculpture, whose title to the eighth wonder of the world no one can dispute, will be a few miles outside of Atlanta, Ga., and will be carved on the face of Stone Mountain, a landmark which has been donated to the cause by Samuel Venable. The Stone Mountain Confederate Memorial Association has charge of the undertaking and one of the principle movers is Mrs. Helen C. Plame, honorary president of the United Daughters of the Confederacy. Mrs. Plame is eighty-four years old and hopes to see the monumental work completed. Funds are being raised not only throughout the South but throughout the North. Several residents of New York have asked the association to be allowed to contribute \$10,000 each. Stone Mountain is more than two miles long, and its bare sides and top make an imposing sight, arising as it does from comparatively level ground. Mr. Borglum will carve a whole army on the surface of this great natural granite pile. In the middle, mounted, will be a notable group comprising the great leaders of the Confederacy, while behind them a short distance will be a larger group, comprising a bodyguard, which will be made up of warriors of repute. Higher, across the whole surface of the mountain, some of them silhouetted against the sky, will march a whole army, passing toward the setting sun. There will be troops of cavalry, companies of infantry and contingents of artillery. Each figure will be the effigy of a Southern soldier. Sub-committees in the thirteen States of the Confederacy will select the names of the men whose fame they wish to perpetuate in this manner. At the foot of the mountain, carved backward sixty feet into its solid granite and with an imposing row of columns in

front, there will be a chamber that will accommodate the archives of the Daughters of the Confederacy and constitute for all times a permanent museum and hall of records.

TENNESSEE OFFICIAL WINS LONG FIGHT

J. W. Seaton of London, Clerk of the Circuit Court of the Twelfth Judicial District of Tennessee, was for years a sufferer from stomach troubles--in part a result of his confining work. He tried doctor after doctor. He tried medicines without end.

One day he took a dose of Mayr's Wonderful Remedy. He wrote: "Your medicine is the best in the world for any form of stomach trouble. I am glad to say that after taking the full treatment I feel that I am well. I had very severe pains in my stomach all the time. One bottle of your medicine did me ten times as much good as all the doctors' medicine that I took for two years. My family physician told me that I would never be any better--today I am well. I have gained twenty-five pounds."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee--if not satisfactory money will be returned.

Mrs. Sallie Ross Lawson and little son, George Walker Lawson, of Lancaster, were week end guests of Mr. and Mrs. Mid Ross.

After an illness of but a few days from pneumonia, Mrs. Rhoda Ralston, aged 72, passed away Sunday night at the old Ralston home place near here. She is survived by three sons, Messrs. James, Thomas and Benson Ralston and one daughter, Mrs. Bettie Griggs. Funeral services were held Tuesday morning at Old Paint Lick church of which she was a life long member, by Rev. Eldridge and the body was laid to rest in Paint Lick cemetery by the side of her husband to await the resurrection morn. The sympathy of the entire community goes out to the family in their great bereavement.

Miss Hazel Patrick and Mr. Curry Rice stole a march on their friends Saturday evening by being quietly to the Baptist manse and going into marriage by Rev. C. S. Elms. Before the ceremony was hardly over the secret leaked out and when the happy couple started home they found the house "surrounded by a cloud of witnesses" who, equipped with all sorts of musical (?) instruments accompanied them to the home of the grooms parents where a delicious repast was served. The bride wore a mid-night blue coat suit with white fur and black velvet hat, and is the only daughter of Mrs. Elizabeth Patrick and by her modesty of manner and sweetness of disposition has won for herself a host of friends. The groom is the only son of Mr. and Mrs. Guy Rice and one of Paint Lick's promising young businessmen. Mr. and Mrs. Rice will go to house keeping immediately in the flat just completed by Mr. W. F. Parks and their host of friends wish for them all the happiness and success possible.

As Important As Buying Groceries

Nothing anywhere as important except possibly to cook them.

Poor Groceries cannot be turned into good food—no matter how expert the cook may be.

A dollar saved by buying cheap groceries will likely run out to be IWD wasted.

A loss of nourishment—A waste of time—A lack of health.

We invite a particular housewife to test the goodness of our products—think not as they find them—think on.

We are authorized to announce Miss

Jennie Higgins a candidate for County

School Superintendent of Garrard

County, subject to the action of the

Democratic primary August 1917.

The suggestion by his democratic

friends that Hon. Owen McIntyre,

editor of the Danville Advocate be

given the nomination for congress

to be well received in this end of the

district. It is reported that this

popular democratic editor will some

formally announce his candidacy for the

nomination and will begin actively to

organize the district for a final "try out"

with the present incumbent. Mr. Mc-

Intyre has been in the democratic

races a long time and has fought the

battles of the party, well and faithfully

and there will be a strong sentiment

to reward this capable and popular

democrat for it.

Friends of Editor W. Owen Mc-

Intyre, of the Danville Advocate, have

started a boom for him for the democ-

ratic congressional nomination in this

district. This is a bunch of energy

and determination and should be de-

scribed to start, when we understand, is very

probable, will make him all go come to

head him. He is strictly a live wire

every way. Another prominent dem-

ocrat in this way, who is being

quietly "line hound" is Editor Jos. E.

Robinson, of the Lancaster Record.

Mr. Robinson's friends say if he should

consent to run he would prove one

of the most formidable men in the

field, as he is very close to the

people and could command the support of the

state "administration."—Interior Journal.

The last issue of the Interior Journal

had a handsome likeness of Mr. Jess

Weaver, who has been elected City

clerk of Stanford. Mr. Weaver is also

one of the best known insurance men

in the state, but the best thing we can

say of him is that he is a son-in-law

of Lancaster having married Miss Nell

Pillay.

T. K. Watson, agent for the Met-

ropolitan Life Insurance Company, for

Lancaster and Garrard counties, has

moved to this city to make his head-

quarters, and will be given a cordial

welcome here as T. K. is a hustler and

very popular with all who know him.

Mr. Watson and family have been

the Vanderweyde family recently vacated by Mr.

and Mrs. C. B. Foster, Interior

Journal.

A report from Harrodsburg, received

this week, says the condition of "Filly"

Pate is quite serious. He has been

in a dangerous condition for several

days. Mr. John Finkler White has

returned to college after a visit to

friends in New York City, and to his

mother, Mrs. Jennie Finkler White,

in Washington D. C. Mesdames Thom-

as Dunn and Josephine Young, of Port

Worth Texas were called to Danville

by the death of their mother, Mrs.

Margaret Robinson Eaton. Mrs. Chris-

tina Hendrix of Harrodsburg, has been

spending the week in Danville with her

husband, Judge Hendrix. Minister W.

J. Price left yesterday afternoon for

Washington City, having been called to

the capital on account of important

negotiations between the United States

and Germany which are now under

consideration. Danville Messenger.

Mrs. Margaret Clark has returned

from a pleasant visit to Miss Hope

Gardner of Louisville.

Mr. and Mrs. Fayette Wilkerson and

children of Stanford are guests of Mr.

and Mrs. R. B. Wilkerson.

Miss Pearl Hardin of Charleston,

West Va., is here for a visit to her

sister Mrs. Alex Wilkerson and family.

After spending the holiday season

with Lancaster relatives Miss Edna

Berke has returned to Oxford College

Oxford, Ohio.

the young men of the Baptist church

this evening (Thursday) at a course

dinner at Hotel Kensington.

Board of Supervisors at a most in-

teresting dinner on Tuesday at his

home on Danville street.

Mr. and Mrs. T. K. Watson have

moved to Stanford and taken rooms

with Mrs. John Kirby on Main St.

While Lancaster regrets the loss of

this popular couple we are glad our

loss is the good town of Stanford's gain.

Mrs. Fred P. Frisbie is a victim of

the "grippe".

Miss Leota Ray is in Frankfort with

her aunt who is very ill.

Dr. W. A. Wheeler was a recent

visitor of Stanford friends.

W. H. Burton is in Atlanta for a

business stop of a few days.

Mrs. W. T. West has been in Stan-

ford the guest of Mrs. O'Hannon.

Mr. Adolph Joseph left Wednesday

for a visit to friends in Peru, Ind.

Mrs. John E. Stormes has been a

sufferer from the "grippe" for over a

week.

Miss Pearl Payne, of Spawey, paid

this office a pleasant call Wednesday

afternoon.

Dr. Casey of Danville was the guest

the first of the week of Dr. Jack Casey

and wife.

Miss Mary Elmore has returned from

a visit to her sister, Miss Lydia Elmore

in Indianapolis.

Miss Jessie Layton of McGraw has

been with her sister, Mrs. D. C.

Sanders for a visit.

Mr. and Mrs. Arthur Joseph are at

home after a protracted stay with

relatives in Ashville, N. C.

Sutton were guests of Miss Lillie Mae

Sutton the latter part of the past week.

Matthie P. Frisbie fell at "grippe" at

the home of Mrs. C. C. Price in Dan-

ville.

Mr. Joseph Joseph, of Harrodsburg,

N. C., is visiting his sister,

Mesdames James Ramsey and W. O.

Trotter.

Mary Conline Lacey, of Danville were

recent guests of Mrs. D. M. Lacey and

Miss Jennie Lacey.

After a visit to his mother, Mrs.

Jesse Robinson, Jacob Y. Robinson, has

returned to Georgia to spend the

remainder of the winter.

Messrs. Edward D. Hine, John E. Hine

and Albee Calpal of Danville were

members of a house party at the home

of Miss Lillie Mae Sutton.

Mr. H. B. Cox was presented with a

nice box of oranges and grape fruit by

Mr. Woodford Spears, of Lenoir,

Florida as a New Year's gift.

Miss Lillie Mae Sutton entertained

on Saturday evening at her home near

Athens in honor of a number of

friends. Delicious refreshments were

served.

Miss Harriet Crouch, of Clarksville,

Tenn., who was bridesmaid at the

wedding in Winchester, will

arrive tomorrow for a visit to Mrs.

Robert Elkin McRoberts.

BIG TOBACCO AVERAGES

ON

Danville Market

Tobacco Prices Take Another Upward Jump and Big Averages Are Recorded and Growers Are Jubilant.

The Weed Reaches 47 Cents a Pound To-Day. Yandell and Trisler Get \$22.55 Per Hundred For Their Whole Crop.

V. Leer, of Anderson County, Gets the High Average of \$27.86 Per Hundred From a Crop.

All the Buyers of the Big Companies and Independents Are Bidding Spiritedly. 110,000 Pounds Averages 13 Cents a Pound.

High Prices Bringing Tobacco From All Quarters.

Tobacco which has been steadily going up since the first of the year took another upward bound this week below average of the high and numerous high averages were recorded. Over 100,000 pounds were sold at the two warehouses and there were no rejections, an indication that the growers were getting a better price for their crop. Danville buyers were very active in the United States and the following averages were recorded:

Lincoln, Boyle, Gaymans and other counties	17.75
buying some of the crop, and in some instances doubled their average.	
This is a warning to growers not to sell their tobacco in the barn, as the man by whose toil it is grown should have its full worth, and this can be gotten only in one way, and that on the loose leaf floor. The floor average for 110,000 pounds was the record, 13 cents.	

Yandell & Trisler, of Boyle county, this morning, received an average of \$22.55 per hundred for their crop; an Anderson county man got an average of \$27.86 for his offering; E. E. Milton, of Anderson county, received an average of \$18.58 cents a hundred and there were many others with equally as successful averages. The high prices being received here are attracting crops from all surrounding country. Buyers can pay higher

prices in Danville on account of the splendid shipping facilities. Here the following baskets:
